SAM under the wing of peoples' advocacy, SAM executive members met Kalon Tripa Dr. Lobsang Sangay to ask his intervention on unresolved 10 years issue of regional Tibetan movement. This was not the first meeting with official and elected peoples' representative about this issue but even SAM has sent a numerous letters to concern department for their intervention.

Sadly, there isn't any intervention on it and the issue is rather postponed one by one. However, SAM will never give up solving this issue, no matter how long it will take. As SAM believes they can do it.
